OVERVIEW OF EXPERIENCE

Harold A. Laufer is an experienced, highly rated corporate business attorney. Harold focuses on mergers and acquisitions and significant contract negotiations for established businesses, and is also widely regarded as a top lawyer and adviser to Silicon Beach's emerging company and technology communities. He has professional relationships with experts in every area of the law and is able to provide full service legal assistance. Harold takes years of big law firm experience and provides personal, aggressive and expert legal services to solve important, contentious or difficult legal issues.

Attorney Laufer has over 25-years of high level experience as a senior law firm partner and as General Counsel of a public international technology company. He focuses on representing owners and managers of closely held companies in all industries with an emphasis on new media and technologies, and on emerging companies using mobile application, web and cloud based platforms. He is skilled at providing strategic legal advice on operational issues resulting in increased profitability, growth, and new business channels. He often acts as a trusted advisor and outside general counsel to his clients. In addition to attorney Laufers experience and skill sets, he is also AV Preeminent rated and has frequently been named a Super Lawyer.
