## RACHEL ZURAW, ESQ.

HEALTHCARE ATTORNEY,  
CONSULTING COUNSEL TO GONZALO LAW

---

### OVERVIEW OF EXPERIENCE

Attorney Zuraw focuses her practice in health care litigation and compliance, bioethics, and legal education. Her primary research interests are the intersection of privacy and medical devices, treatment of individuals with declining rational capacity, and pharmaceutical access for under-served populations.

In her current position she works with international attorneys studying in the United States and advises them on academic and professional development, in addition to providing strategic guidance for the Berkeley Law advanced degree programs.
